

Covid & the Supply Chain

- What is the new normal?
- Re-evaluate supply chains
 - Critical Analysis of what worked and didn't work
 - JIT?
 - Reevaluate Supplier Base
 - Local vs Global
- Transportation issues
 - Limited flights
 - Ports

North Carolina Response

- North Carolina Department of Commerce
- <https://www.nccommerce.com/news/solutions-covid-19>
 - Government orders
 - Supply chain-find a local NC supplier -manufacturednc.com
- North Carolina Emergency Management
 - Food Supply Chain Working Group
 - Address food supply chain issues
 - NC one of the largest producers of chicken and pork
 - End users: healthcare facilities, schools, restaurants, grocery stores
 - Food banks may be in dire need of food right now
 - IDIS & Purple Pantry

Thank You!
